This two-story design is family friendly. The Entry opens to a charming bay window alcove ideal for a morning desk. A Mud Room off the kitchen is a perfect spot to shed wet coats and boots. The Powder Room is suitably located on the main level. The roomy kitchen offers a functional U-shape design. A Laundry area is conveniently situated upstairs next to the four bedrooms. Stamped concrete driveway, sidewalk and shingled bay window add a touch of class to this budget conscious home.
