A little sister to the Egret, this two-story cutie is perfectly suited as a cherished first home, vacation retreat, or for empty nesters on-the-go. Two bedrooms with large closets are nestled upstairs with two baths and laundry facilities. A Mud Room off the kitchen and garage lends itself to multiple uses. A Powder Room is conveniently located on the main level. The kitchen features a classic U-shape design. Ample attic storage over the garage is accessible from upstairs. A covered entry porch welcomes friends and family. A stamped concrete driveway, sidewalk and shingled accent exterior make this a house that you will be proud to call Home.
